<u>Item</u>	<u>Action</u>
Eco Checklists	Thank you to Year 5 for stepping in whilst Year 6 were doing their exams. Reminder to do the checklists each week and hand in by Thursday.
Composter	Year 5 reported back from the Skype call and as a school we are keen to get one and it will be placed on the gravel area in the Eco garden.
Travel Plan and Survey	Eco councillors to complete the pupil survey with their class and a parent survey to be sent out this week.
Litter	Design a poster competition to stop people throwing litter into the school grounds. Vote for the best poster in each class.
Mound	Tree to be planted at the end of the mound to stop children cutting through. Plastic recycled flowers to be put on the mound to deter children running over it.
Aprons in Nursery	Biodegradable aprons are too expensive so will look at getting aprons which can be wiped clean.
Litter picker	Not to be used as toys and encourage the children to use the litter pickers properly. Mr Hart to replace the broken litter picker.
