

MATCH FUNDING

Friends of Greenbank need your help for their most ambitious fundraising project ever!

Team Greenbank...

You will hopefully be aware of the fantastic work Friends of Greenbank are doing to raise funds for our school. We wanted to take this opportunity to remind you about the match funding scheme and how a little bit of your time could raise double the funds for Friends of Greenbank.

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Usually, the employee will need to supply them with a letter from Friends of Greenbank detailing the date and nature of the event, together with the total raised.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too.

We would be grateful if you could enquire if your employer or your own company provides a match funding scheme, or if they are willing to match fund any of our events. If you can't help this time, but you know the company you work for has a match funding policy, please let us know. This could be a large source of income for Friends of Greenbank and help us raise money for future projects.

If you are able to help us this way, please let Mrs Aizlewood know, and we can discuss your company's requirements.

Thank you for your support.
